Tattoo Deposit Agreement

I, _____ agree that I pay a **minimum \$100 deposit** to secure my tattoo appointment. \$50 of which will be NOT counted towards the tattoo cost and will be used as fees for time spent designing tattoo. The other portion will be used to secure your appointment, and will be counted towards your tattoo total cost, as long as I arrive shortly before my scheduled time, on time, or 30 minutes later (maximum) than my scheduled time to my scheduled tattoo appointment.

I understand that if I fail to give 48 hour notice that I will be late, or not make it on that day I scheduled that my deposit will be kept, by the tattoo artist, and NOT be counted towards my tattoo scheduled. I can reschedule ONCE. I must make another deposit for any appointment scheduled AFTER the 1st (first) rescheduling, because my deposit will be revoked and kept for anything past the one time rescheduling.

ANY amount of deposit made is NONREFUNDABLE if I choose to change my mind for any reason, and subsequently cancel my scheduled tattoo appointment altogether.

All minor children who are not scheduled for a tattoo or piercing are not permitted to attend the appointment. I will not arrive for my appointment under the influence of ANY drugs, nor consume any alcohol within 3 hours of my appointment, or I will be required to reschedule (and if the above stipulations apply than I may have my deposit revoked and kept).

Payment for session/tattoo will be paid in FULL before session/tattoo begins.

My appointment will be on _____ @ _____ PM
